# Our Hospice Bereavement Services

Grief is a natural reaction to loss that each of us experiences differently. A caring person with a listening ear can make all the difference.

RiverStone Health Hospice Services is uniquely able to assist at these difficult times by offering:

- Regular contacts by phone and mailings throughout the year
- Home visits as needed
- On-going support groups as well as educational opportunities

Our Bereavement Services are available for hospice family members and friends during the year following the death of a loved one. Our experienced professionals provide:

- Assessment of your grieving process
- One-on-one counseling for more intensive support
- Access to community and personal resources
- Specialized support for children

Remembering loved ones is an important way to transition through the journey of grief.

RiverStone Health Hospice Services extends:

- Inclusive celebrations at interfaith services for family and friends
- Memorials for loved ones through RiverStone Health Foundation

# Additional Services

Our BraveHearts program is designed to assist children in their complicated time of loss. Using art, crafts, sharing and group exercises this 8 week program continues to be a unique opportunity in our area. It is especially designed to:

- Assist children ages 5 – 17 and significant adults in their lives
- Provide support groups in the school setting as needed

Our hospice families and the broader community are encouraged to utilize our support groups and to call for more information about our:

- Extended resource library of printed, audio, and video material
- Speakers Bureau to offer topical discussions as well as workshops on end-of-life and grief issues
- Educational groups and workshops such as:
  - Coping during the Holidays
  - Living with loss
  - Grief in the school setting
